Sir

Re Ayurvedic and Unani Dispensary at Bangalore

With reference to your No C L 69/M1 dated 15-10-1943, I have the honour to enclose herewith a plan showing the General layout for the proposed Ayurvedic and Unani Hospital at Bangalore City

I suggest to build a large two storied front block containing in the Ground floor, 2 seperate out-patients Departments for Ayurvedi and Unani treatment, and in the first floor, the General Office, Medical Officers room, Doctors Library, and other Administrative - rooms The front block will be so designed that it faces both, Railway Station Road and Dharmambhudhi tank

Joint on to this main block will on each side, two ward blocks (i e 2 each for the two branches of Indian Medicine), each containing one large general ward and one or two smaller special wards with all necessary side rooms

The blocks following towards the South will contain the Research rooms and Laboratories while further equal blocks can be added to this side for future extensions

Out-houses and staff quarters are situated in gardens behind the main building which, with its long row of equal gables overlooking the tank will provide an impressive view for visitors arriving at Bangalore City Station

I suggest that you may obtain the approval of one or two of the leading Pandits and Hakims to the proposed building organisation, and I shall take up the detailed design of the necessary buildings after receiving your confirmation that this general lay-out is acceptable to the medical experts

AWARD UNDER SECTION 11 OF THE LAND ACQUISITION REGULATION - L A C 3/43

Re the acquisition of Survey No. 11 in Burgemuddenahalli, Dharmambudhi Tank bund East Street, II Division, Bangalore City, declared under Notification No. L.2780/M1.22-43-17 dated 31st August 1943 for the construction of Combined Ayurvedic and Unani Hospital, Bangalore.

1 The extent of the land notified for acquisition is as follows -

1	Revenue Land	19116 Sq. Ft or 17½ guntas
2	M T Gable roof with mud walls in jungle wood rafters and reapers	352 Sq. Ft
3.	Private lands	12744 Sq Ft
4.	Trees and Plants	

Inspected the property on 20-11-1943. The portion of land notified for acquisition forms part of S No 11 of Barigemuddenahalli which is attached to Gate Munisamappa's Chattram, situate in Subedar Chattram Road, Bangalore City. The remaining portion of the S No. 11 is used as a workshop for fixing iron rims to jutka wheels. Claimants Messrs Shivabanna and Vasthy Venkataramanappa, admit the correctness of the measurements of the property as notified in the Gazette The possession of the land was taken on 24-9-1943, under Section 17 of Land Acquisition Act.

The property is an agricultural land and I think it is reasonable to award compensation at Rs.1,500/- per acre Hence I award compensation for the land as follows -

Land 29½ guntas at Rs.1,500/- per acre	Rs.1,096	14	0
Trees and Plants	59	0	0

may be used for charitable purpose. Messrs. D. Munisamappa, Subbaiah and Billappa are remaining claimants in the case. L A C 2/43-44

AWARD UNDER SECTION 11 OF THE LAND ACQUISITION ACT - L.A.C. 2/43-44

Re the acquisition of Survey No. 10/2 in Burgemuddenahalli, Dharmambudhi Tank Bund East Street, II Division, Bangalore City, declared under Notification No. L 2780/43 22-43-17 dated 31st August 1943 for the construction of Combined Ayurvedic and Unani Hospital, Bangalore.

The extent of the land notified for acquisition is as follows:

1 Open garden lands — 1 acre 11 guntas
2 Well 14' diameter with stone ~~steening~~ and side platforms 40' deep

Inspected the property on 20-11-1943. The present owner Mr. T.M. Narasimhiah contends that the area of the property is 1 acre and 13½ guntas and not 1 acre and 11½ guntas as notified in the Gazette. On verification, his contention is found to be true and the area is accepted to be 1 acre and 13½ guntas. It is ascertained that the correct S. No. of the land in question is 10/2 and not 29 of the Barigemuddenahalli. Fifteen days after the issue of the notification under Section 6 read with 17 of Land Acquisition Act, the possession of the land was taken on 24-9-1943.

The party claims compensation at Rs. 15/- a square yard, on the ground that on payment of a conversion fine of Rs. 1,350/- he got the land converted into building land. He is not paying any municipal tax. No layout has been approved for the land. Neither roads, nor drains nor underground ~~Scheme~~ Sewers have been constructed to make the land fit for construction of buildings. ~~and~~ The land is still being used as garden land. It is therefore clear that the land remains an agricultural land and compensation due to such lands has to be paid. I think it is reasonable to give a compensation of Rs. 1,500/- per acre. There is a well on the land, its estimated value as Rs. 800/- may be taken as correct. Hence I award compensation to the party as follows:

1	Garden land - 1 acre and 13½ guntas, at Rs. 1,500/- per acre	Rs. 2,006	4	0
2.	Well, lumpsum	800	0	0
